Computer Support

The links below go to shorebased web sites.

- Current information for scientists sailing in 2008 and beyond
- Legacy information for scientists who sailed in 1985–2005

When you are actually in the shipboard environment, visit the MCS (marine computer specialists) and Developers. This is information specifically hosted in the shipboard environment.

- The shipboard home page.

Shipboard E-mail

- Email Lists Users Guide
